Dear Santosh Shet,

We are delighted to inform you of your acceptance to the HPAIR Asia Conference 2019, which will be held from August 16th to 20th, 2019, at Nazarbayev University in Nur-Sultan, Kazakhstan! On behalf of the entire team at the Harvard College Project for Asian and International Relations, please accept our warmest congratulations.

This past application cycle was one of our most competitive yet, as we received over 900 submissions for the Asia Conference. Faced with many more talented and highly qualified candidates than we have room to admit, we have taken great care to choose individuals who present extraordinary leadership, talent, and personal strengths. In making each admission decision, the HPAIR team keeps in mind that the success of the HPAIR Asia Conference 2019 depends most on the promise of you. In offering you admission, we believe in your ability to make important contributions to our conference.

If you require a visa to travel to Kazakhstan, please check the my.hpair.org portal to upload a scan of your passport by May 20 at 11:59 PM EDT. We encourage you to register at the same portal by June 15 (the Early Registration Deadline) to reserve a seat at our conference. In addition, we recommend joining the Facebook group for admitted delegates so you can get to know about the other talented people who will be at the conference. Please do not hesitate to contact us if we can be of help in any way at help@hpair.org.

Congratulations again on your achievement. We look forward to welcoming you in Kazakhstan!

Yours Sincerely,

Charles Michael, Leila Akhmetova
